Working practices and legislation

4.1A Demonstrate good health and safety practice when working on film productions

Why is health and safety important when working on film productions?	~~Regulations~~ regulations of the ~~regulations~~ provide to the crew to stay in ~~fit~~ fit condition ~~for~~ the whole production for. This ensures that everyone can still perform at their best ~~ability~~ ability
Care & responsibility **What are some of the key safety issues relating to film production?** Cooperation, communication etc all need to be included.	No tripping ~~up~~ up. ~~over~~ the wires. ~~All~~ All kit is correctly equipped and secure ~~for~~ /in place. Genres like horror ~~need~~ need in place. In certain genres, have different impacts on what you need to control. So no injury can occur then take appropriate action in course due to that.
